

Tip Sheets

**Would you like your business to grow?
Interested in reaching out to those
relocating to Moore County?**

Register to receive the Moore County Chamber Tip Sheet. What is a Tip Sheet? Every day the Chamber receives calls and emails from individuals interested in relocating to the Sandhills area. In 2006 we had over 400 requests for our relocation packets.

Businesses that subscribe to receive the Tip Sheet will obtain the contact information for these individuals. All subscribers are notified daily via email with the latest Tip Sheet. The cost to subscribe to this program is only \$150 for 2007.
