MCLI SCHOLARSHIP APPLICATION

The following is an application for consideration of a scholarship for the Moore County Leadership Institute (MCLI). All applications that are received will be reviewed by the MCLI Steering Committee. A total of two (2) scholarships can be presented on an annual basis for ½ the program fees. The participant would then be responsible for the remaining program fees. A full MCLI application must also be submitted. Completing this application does not guarantee you a scholarship, but makes you eligible for consideration.
