

## Join Our Mission

Moore Young Professionals is an initiative designed to build a stronger community for the future leaders of Moore County through professional development, fostering connections, and serving the local community.

**Work** As young professionals, we always strive for continuous self-improvement, learning the ropes from other experienced professionals, and developing professional networks:

- ✓ Professional Speakers & Networking
- ✓ Professional Book Clubs
- ✓ Encourage Professional Development Opportunities & Connections

**Play** We may work hard but we also like to find outlets to foster connections with other young professionals. MYP provides opportunities to attend events with a relaxed environment outside of the office.

- ✓ Monthly Socials
- ✓ Group Outings
- ✓ Annual Signature Event

**Give** We believe that as the future leaders of Moore County, we can affect change in our own community. As an organization, we strive to give back and serve the greater Moore County community.

- ✓ Partner with Local Non-Profits
- ✓ Stay Involved In Community Issues
